P.A.R.S. is an organization dedicated to serving the needs of the amateur radio community in Pamlico County, North Carolina. Our members are involved in many, if not all, of the above-listed categories.

**Membership dues in the P.A.R.S are \$20 per year per family, whether the family has one licensed 'ham' or several.**

Matters that come to a vote are decided on a one-vote-per-membership basis.

P.A.R.S. meetings are held the final Saturday of each calendar month. Each meeting includes a program of interest to amateur radio operators. All persons interested in amateur radio, whether members or not, are invited to attend these meetings. If you are interested in membership, please complete the above form and mail it in with your check for a year's dues .
